

UNC CHILDREN'S BEHAVIORAL AND MENTAL HEALTH

Dear Parent / Guardian,

Your child has been referred for an evaluation due to concerns with some aspect of learning, development, behavior, or mental health.

Please follow the directions below to help with the appointment.

1. **Complete and return the Parent Questionnaire.** Please mail, scan, or fax it to the clinic before your child's appointment. Completing this ahead of time will allow me to spend more time with you and your child during the appointment.

UNC Hospitals Children's Specialty Services
2801 Blue Ridge Road Raleigh, NC 27607
(984) 974-0500 (phone) and (984) 215-6416 (fax)
e-mail: susans@email.unc.edu

2. Bring copies of any available school notes, IEPs, developmental testing results, and treatment plans from therapists.
3. Bring a list of medications to the appointment. If your child takes daily medication, please give it to him/her as prescribed.
4. If your child wears glasses or uses any adaptive devices, bring those with you as well.

This appointment will take longer than most medical appointments. Please plan at least 2 hours for the initial session.

We look forward to meeting you and working with your child. Please notify us if you are not able to keep the appointment so we may offer it to another family and reschedule your child if needed.

~ Remember to complete and return the **Parent Questionnaire**. Thank you. ~
